

# SADDLEBACK DISTRICT CUB SCOUT DAY CAMP FUN IN THE SUN GAZETTE

Friday, June 28, 2013

## MANY HANDS MAKE LIGHT WORK

**STOP THE PRESSES!** Day camp is not over yet. We need your help tomorrow, please! Setting up and running Day Camp is a labor of love. Camp gets set up in two days, runs for two sessions a day with 720 boys for five days and then gets disassembled in *ONE DAY*. After a week of incredible fun with camp, Saturday is an exhausting proposition. BUT . . . you can help make the work go faster and easier. We are inviting any and all help even if it is just for an hour or two. It is an amazing transition to be a part of. By the end of the day all the equipment will have been taken apart, packaged up and stored away for more fun next year, trash will be picked up and removed, and the park will once again be restored to it's natural state. Please join our team Saturday, June 29th. There are tasks for young and old alike starting at 9am.
