

# Saddleback Cub Scout Daycamp

# Cub Scout Daycamp

## Drop-Off and Pick-Up Instructions

**To Park: To park and then walk back with your camper(s)**

1. After entering the park look for the sign "**CUB CAMP ->**". Veer right as directed.
2. Eventually you'll approach the fork in the road pictured here. The grassy area immediately behind the cones and barricades (encircled by orange fence and yellow rope) is the gathering area where all the campers start and end the day.

**To Park: To park and then walk back with your camper(s)**

3. At the fork in the road, there will be a sign that says "**Direct to parking ->**".

4. Stay to the right, continue around the Gathering Area until you reach the parking areas. Stay to the right of the traffic cones as you are walking back to the Gathering Area.

**Camper Drop-Off: If you are just dripping off Campers OR if you want to drop-off Campers and unload your car before you park:**

1. After entering the park look for the sign "**CUB CAMP ->**". Veer right as directed.
2. Eventually you'll approach the fork in the road pictured here. The grassy area immediately behind the cones and barricades (encircled by orange fence and yellow rope) is the gathering area where all the campers start and end the day.

**Camper Drop-Off: If you are just dripping off Campers OR if you want to drop-off Campers and unload your car before you park:**

3. At the fork in the road there will be a sign that says "**Drop off Campers <-**". Note also the green "Group Area #1" sign off to the left as well as the blue potties. Those landmarks are easier to see than the signs. Stay left at the fork in the road.

You will see the gathering area more closely, all enclosed by the yellow rope. Notice the tall signs spaced around the far edge of the gathering area. Those signs tell the campers where each den meets. The color coded signs say things like "Den 1", "Tiger 2", "Dolphins", "Eagles" etc. So a camper in "Red 2 Den" would look for a red sign that says "Den 2".

As you continue to drive around the left side of the gathering area, you will start to see white signs with red lettering that say "**DROP OFF HERE**". These signs are on the right side of the road.

Here is a view of the  
"DROP OFF HERE"  
signs from a different angle.

Here is an example of the teenaged helpers in orange shirts who will be standing by the Drop Off points to help load/unload your cars and guide your campers each day!

After you have dropped off your Camper(s) continue on through the Park and you will exit out the Mesa Gate, you cannot exit through the Front Gate that you entered through, all traffic during drop-off is one-way.

### **To Pick-Up your Camper:**

1. After entering the park look for the sign "CUB CAMP ->". Veer right as directed.
  2. Eventually you'll approach the fork in the road pictured here.
- You can choose to go either right or left, choose the side that is closest to your Camper's Den Sign if you can. Form 2 lines of cars on each side of the Gathering Area. Park in the road, expect to be there for some time.

When Daycamp is over, Campers will be released to get into their car, traffic will be held at this point until the majority of Campers and Adults who need to get to their cars in the parking areas have cleared the road ahead of you. Once traffic starts moving **DRIVE SLOWLY!!!!** You will continue through the park and exit out the Mesa Gate. All traffic at pick-up time is one-way, you cannot exit out the Front Gate that you entered from.
